The result of the examination determines the final qualification of the candidate for the scholarship

Candidates from Armenia, Azerbaijan, Georgia, Moldova, Kazakhstan, Kyrgyzstan, Russia, Tajikistan and Uzbekistan planning to study in English are required to indicate a specific educational offer in that language in the above-mentioned five academic centers. These persons are required, during the interview, to speak English at least at B2 level and have the basic knowledge of the Polish language - A1 level. Candidates who pass the qualification in terms of content, but not sufficiently know Polish, have the opportunity to continue learning the language (the Program administrator provides study materials) and pass the language exam organized in the mid-June 2021).
