**Local education consultant to support Ministry of Education, Culture and Research and
Project management team under Moldova Education Reform Project (MERP)**

1. BACKGROUND

„Moldova Education Reform” Project (MERP) is a World Bank-financed Project.

The total cost of original credit is SDR 26.1 million (USD 40 million equivalent) and the Additional Financing in the amount of SDR 7.1 million (US\$ 10 million equivalent) is provided to the Republic of Moldova in support of Moldova Education Reform Project.

The MERP supports the Government of Moldova (GoM) reform program by financing activities that will strengthen the quality of education and lead to a more efficient education sector. Through this Project, the World Bank support the GoM in implementing the needed reforms, which include initiatives for:

- Improve learning conditions in targeted schools;
- Strengthen the education monitoring systems;
- Promoting efficiency reforms in the education sector.

The objective of the Project is to improve learning conditions in targeted schools and strengthen the Recipient’s education monitoring systems, while promoting efficiency reforms in the education sector.

MERP’s focus is to support interventions that would lead to improvements in the quality and efficiency of primary and general secondary education. Specifically, the AF would allow Ministry of Education, Culture and Research (MoECR) to expand the coverage and depth of selected activities already initiated under MERP, such as teacher and school managers’ training, participation in PISA, and development of an additional module to EMIS (TVET module) and roll-out of the preschool module.

The MERP has three components:

- A. “Strengthening the Quality of Education”,
- B. “Improving the Efficiency of the Education Sector”
- C. “Improving the Ministry of Education, Culture and Research’s Capacity to Monitor the Reform”.

Component C has the objective to finance Technical Assistance (TA) for the MoECR to support the implementation, monitoring and measurement of the MERP. Under component C, the World Bank offers technical assistance to help the Ministry of Education, Culture and Research of Moldova in the achievement of the project activities, through making available global knowledge and technical expertise.

In this context, an education consultant to be hired will assist and provide technical support to the Ministry of Education, Culture and Research (relevant Divisions and Departments involved in the Project implementation), National Agency for Quality Assurance in Education and Research

(ANACEC), National Agency for Curriculum and Evaluation (NACE) and Project management team in order to enhance their capacity for smoother project implementation.
